

7000 Yellowfin Southern Hard Top Pack 4

\$140,990

FOUR-STROKE  
F200

Yamaha's F200 Digital and Mechanical Control outboards now feature integrated steering options, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearlglow white, the F200 model line-up brings a new level of next-generation boating.

ENGINE FEATURES

- 2795cc four-cylinder engine
- Four-cylinder in-line design delivers excellent fuel efficiency
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options
- Built-in tilt limiter
- 2 colour options with raised graphics

Description

The cabin length has been extended by 300mm allowing for extra protection for drivers and passengers. Carpeted Hood lining comes standard for improved aesthetic and added comfort. The new standard rain deflectors allowing extra protection and keeping your passengers dry.

As well as the standard Bait Board, there is now a bait station upgrade available on all Yellowfin boats which has inbuilt removable tackle station to keep all your gear. If you're looking to impress your mates the Yellowfin Southerners can now be optioned up to include the LED kit to improve your night fishing experience.

So come in and inspect the range of Yellowfin Plate Alloy Off Shore fishing weapons.
