Suburb	Burpengary East	Engine Make	Yamaha

Description

Haines Hunter 650 R - Incorporating Haines Hunters 21 Performance Deadrise Vee (PDV) hull, the 650R delivers superior performance and handling proven during rigorous testing in both inshore and offshore conditions. The low-profile cabin inherent in every R-Series model adds to the new models sporty feel and allows excellent vision at the helm, without compromising valuable cockpit space for maximum fishability. Capable of fishing six large adult anglers in comfort, the enormous cockpit (with optional side door) creates an ideal offshore fishing and diving platform, while the huge cabin bunk length of 1.88m provides a welcome escape from the elements or a cavernous storage area for all manner of gear.
