FOUR-STROKE  
F9.9

For all-round portability, power and performance, the F9.9 delivers well above its class. The 212cc, inline two-cylinder, four-stroke compact engine provides exceptional speed and acceleration for its size - delivering an ideal engine platform for small inboards and outboards. With a fold-in tiller handle, comfortable carry handles and resting pads, these outboards are easy to mount, remove and store.

Like all Yamaha engines, the F9.9 is extremely quiet, has excellent fuel economy, produces low emissions and delivers an exceptionally smooth and reliable performance.

**ADVANTAGES: IMPROVED PERFORMANCE**

- 212cc two-cylinder engine.
- Lightweight and powerful.
- Shallow water drive for convenient navigation of shallow water.

Description

The original Tuff Tender was designed for use as a tender vessel for larger craft, however because of its incredible stability and shallow draft it soon became popular with fisherman who wanted a small go anywhere boat to reach those hard to access areas.

The new and improved 300 Tuffy still keeps the DNA of the Tuff Tender regarding its incredible stability while also adding improved features with fisherman in mind with extra storage facilities and casting deck. The cast deck and rear seats all have usable storage with water repellent raised lips to keep things dry, and the hull shape has been improved for better performance.

All the internal and gunwale surfaces are non-slip, and the hand rails are more usable than its predecessor. Other features include through hull drainage in anchor well, easy boarding via the larger rear steps, drainage channel on floor, divider option for front storage compartment, wide gunwales and a recessed tow eye .

Our Pack 3 on Line on Water Package includes.

- Polycraft Tuffy
- Galvanised Trailer i
- Yamaha 9.9 Hp 4 Stroke
- 12 Litre Fuel Tank
- Qld Boat Trailer Rego
- Smooth Water Safety Gear
