Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	

Description

This new Polycraft Tuffy open Tuff Tender is the latest model in the Tuffy design built in 2022 this package is just the bare Hull only.

300 Tuffy | Polycraft

The original Tuff Tender was designed for use as a tender vessel for larger craft, however because of its incredible stability and shallow draft it soon became popular with fisherman who wanted a small go anywhere boat to reach those hard to access areas.

The new and improved 300 Tuffy still keeps the DNA of the Tuff Tender regarding its incredible stability while also adding improved features with fisherman in mind with extra storage facilities and casting deck. The cast deck and rear seats all have usable storage with water repellent raised lips to keep things dry, and the hull shape has been improved for better performance.

All the internal and gunwale surfaces are non-slip, and the hand rails are more usable than its predecessor. Other features include through hull drainage in anchor well, easy boarding via the larger rear steps, drainage channel on floor, divider option for front storage compartment, wide gunwales and a recessed tow eye .

Our Pack 1 On Line on Water Package includes: Boat Only !

Polycraft 3.00 Tuffy
