\$26,990

FOUR-STROKE

F40

Power To Impress

Powerful, efficient and reliable, the F40 combines the benefits of Yamaha's Multi-Point Electronic Fuel Injection (E-FI) system, with a Micro-Processor Controlled System to deliver reliable turnkey hot and cold starting, improved fuel economy, incredible mid-range torque, lower emissions, and an overall smoother and quieter operation.

The compact F40's 3-cylinder, marine engine delivers the optimal balance of power, torque and refinement for exceptional versatility in both forward or idle handle control applications.

ADVANCED POWER PLANT

- F40's three-cylinder engine
- Compact and powerful design with exceptional fuel efficiency
- Variable timing for low speed turn fishing
- Forward control or optional multi-function tiller
- Exclusive YDC alloy for maximum corrosion protection
- Freshwater flushing device for easy and quiet maintenance
- Compatible with all of Yamaha's premium colour and digital gauges

Start Method	Electric
Operation Method	Yamaha Remote Mechanical Control
Trim & Tilt Method	Power Trim & Tilt
Alternator Output	15A
Fuel Injection System	Electronic Fuel Injection
Base Parts	2.00 : 1
Digital Gauges	Optional
Warranty	3 Year

Description

Check out the quintessential fisherman's dream, the QUINTREX 420 RENEGADE SC. This rugged, no-fuss boat is perfect for those who mean serious fishing business. Its unpainted finish gives it a raw, ready-for-action look, and it's equipped with a bow thruster plate for an electric motor, making it not just tough but also agile in the water.

This beauty rides on the QUINTREX LIGHT ALLOY LONG 749ATM trailer, designed for easy handling and long-lasting durability. The trailer features 13 Inch Steel Galvanised Wheels, LED Lights for safety, and adjustable keel rollers and long skids for a secure fit. Its 39mm round axle and 50mm coupling ensure that it can handle the load, while the swing-up jockey wheel and winch make launching and retrieving a breeze.

Powering this beast is the reliable YAMAHA F40HP 4-STROKE engine, offering smooth, efficient performance with features like power trim tilt and electric start. It comes with a YAMAHA 24L FUEL TANK, complete with a water-separating fuel filter for clean operation. The FAST TAIL HYDROFOIL attached enhances fuel efficiency and improves handling, ensuring you get the most out of your time on the water. Plus, with an extra seat spigot, you can customize the layout to fit your fishing needs or to simply enjoy a day out on the water. This package is a solid choice for anyone looking to make the most out of their boating experience.
