Description

The Quintrex 420 Renegade SC stands out as a versatile and robust fishing vessel, tailored for those who seek a seamless blend of performance and convenience on the water. Unpainted and sporting a rugged aesthetic, this model is perfect for anglers who value functionality and durability.

At the heart of this vessel is the powerful Yamaha F50HP 4-Stroke Tiller, renowned for its reliability and efficiency. This engine, combined with the Yamaha 24L fuel tank, ensures extended cruising ranges without compromising on performance. The integration of the Garmin ECHOMAP UHD2 75sv Chartplotter/Sounder Combo elevates the fishing experience, offering high-definition sonar scanning and detailed chart plotting capabilities, ensuring you stay on top of your game whether navigating new waters or tracking down your next big catch.

Comfort and functionality are further enhanced by the inclusion of a Bimini and Envelope, providing much-needed shade and protection during those long days on the water. The addition of the Fast Tail Hydrofoil improves the boat's performance by increasing fuel efficiency and stability. Practicality is also evident with the inclusion of a marine battery isolation switch, ensuring safety and reliability, alongside an extra seat spigot, offering additional seating options for a more comfortable and enjoyable journey. This Quintrex 420 Renegade SC is not just a boat; it's a reliable companion for your fishing and boating adventures.
