Description

If you're on the hunt for the ultimate fishing and adventure companion, then feast your eyes on the QUINTREX 420 RENEGADE SC. This little beauty doesn't just glide on the water; it commands it. With its striking white painted hull and sporty stripes/decals, you're bound to turn heads whether you're cruising through calm waters or tackling the wild ones. It's not just about looks, though. The Renegade SC is built tough with a purpose to get you where the fish are biting.

Now, let's talk about the ride there. The QUINTREX BRAKED LIGHT ALLOY LONG 900ATM trailer is like the Renegade's trusty steed. Equipped with 13-inch steel galvanised wheels, adjustable keel rollers, and those oh-so-important LED lights, it's designed to make transporting your boat a breeze. Plus, the motor support block ensures your Yamaha F50HP 4-stroke engine stays secure, no matter how bumpy the road gets. Speaking of the engine, this Yamaha is a beast! With features like Power Trim Tilt and Electric Start, you're guaranteed a smooth sail. And with the included 24L Yamaha fuel tank, long days on the water are a given.
But what's a fishing trip without the tech to find the best spots? The MINNKOTA 55-POUND RIPTIDE TERROVA, with its i-Pilot Link GPS Trolling System, ensures you stay on top of the fish. And for mapping and sonar, the GARMIN GPSMAP 953XSV is your eyes beneath the waves. Don't forget about comfort, though. The Bimini and envelope offer shelter from the sun and rain, while the extra seat spigot and bow mount thruster plate give you flexibility in boat configuration. Whether you're out for leisure or on a serious fishing mission, the QUINTREX 420 RENEGADE SC has got you covered.
