

Quintrex 440 Renegade CC(Centre Console)+ Yamaha F60hp 4-Stroke - Pack 1 for sale online

prices

\$35,590

Description

Step aboard the Quintrex 440 Renegade C/C, a robust and versatile centre console vessel that promises both adventure and reliability on the water. This boat, though unpainted, boasts a rugged charm that appeals to anglers and recreational boaters alike. Designed to tackle both calm waters and challenging waves, the Renegade is an exceptional choice for those who demand durability and performance in their maritime pursuits.

The vessel sits atop a Quintrex braked trailer featuring 13-inch alloy wheels and tyres, along with 4 alloy cross members for enhanced stability and strength. The trailer is equipped with a 50mm coupling braked (2Tonne), ensuring safety and ease of towing. LED lights, disc brakes, adjustable keel rollers and long skids, along with a swing-up jockey wheel and a winch 5:1, highlight the trailer's superior design and functionality. Whether you're heading to a nearby lake or a distant waterway, this trailer promises a smooth and secure journey for your boat.

Powering the Quintrex 440 Renegade C/C is a Yamaha F60HP 4-stroke engine, known for its reliability, power trim tilt, and electric start. The engine comes with 2x multifunctional digital gauges, an alloy prop, and a fuel filter, ensuring optimal performance and ease of use. The motor support block prevents excessive loads on the tilt assembly, enhancing the longevity of your engine. Additional features like the extra seat spigot and bow mount thruster plate offer customization for different boating activities, while the included marine battery with an isolation switch guarantees a worry-free boating experience. With these specs, the Quintrex 440 Renegade C/C is ready to take you on your next water adventure, offering the perfect blend of power, versatility, and durability.
