Description

Ahoy there! If you're on the hunt for a versatile and reliable fishing boat, then you've just gotta check out the Quintrex 440 Renegade C/C. This beauty isn't just a sight for sore eyes with its stunning painted two-tone finish and sleek decals/stripes, it's also a powerhouse designed to make every fishing trip unforgettable. Whether you're tackling the calm waters of a lake or navigating the more challenging coastal areas, this center console boat is built to deliver performance and comfort.

Under the hood, or should I say, at the stern, you've got the mighty Yamaha F60HP 4-stroke engine, complete with forward control, electric start, and power trim tilt. This engine is not just any motor; it's a work of art that promises smooth sailing and efficient fuel usage. And with the addition of the MinnKota 55-pound Riptide Terrova, featuring an i-Pilot Link Integrated GPS Trolling System, you're equipped to stay on top of your game, no matter the conditions. The Garmin UHD2 95SV Chartplotter/Sounder combo rounds off the tech package, ensuring you're always on course with crystal-clear sonar images.

But wait, there's more! The Quintrex Braked Trailer makes transporting your boat a breeze, with its 13-inch alloy wheels and LED lights, ensuring safety and durability on the road. And when you're out on the water, the Bimini and envelope provide much-needed shade and shelter, making those long days on the water a whole lot more comfortable. With additional features like the extra seat spigot and bow mount thruster plate, this boat is as versatile as they come. Plus, the marine battery isolation switch ensures that you're always powered up and ready to go. Don't miss out on this gem. It's more than just a boat; it's your next adventure waiting to happen!
