Description

Introducing the Quintrex 440 Renegade Side Console, a remarkable blend of durability and versatility, designed for the fishing enthusiast and outdoor adventurer. The 440 Renegade, unpainted and proud, showcases its raw, quintessential Australian build quality, making it a resilient companion for both tranquil inland waters and challenging coastal excursions. Its robust design is perfectly matched with the powerful Yamaha F60HP 4-Stroke Tiller, providing a smooth, reliable performance with impressive fuel efficiency. This outboard engine is renowned for its quiet operation and low emissions, ensuring an enjoyable experience on the water.

At the heart of the 440 Renegades navigation capabilities is the Garmin ECHOMAP UHD2 75sv Chartplotter/Sounder Combo. This state-of-the-art equipment combines high-definition chart plotting and sonar capabilities, making locating fish and navigating through waters effortless and precise. The integration of a marine battery with an isolation switch adds to the safety and convenience, ensuring uninterrupted power supply and the ability to manage power usage effectively.

Functionality meets comfort in this vessel, featuring an extra seat spigot for customizable seating arrangements, enhancing comfort during long fishing trips or leisurely cruises. Accompanied by the Quintrex braked trailer 1098ATM, transporting this rugged boat is easy and secure, ensuring you're ready to tackle new adventures wherever they may be.
