Description

You wil have the ultimate fishing adventure with the Quintrex 481 Fishabout, a vessel that's not just a boat but a promise of unforgettable days on the water. Painted in striking white with eye-catching stripes and decals, this model is where aesthetics meet functionality, ensuring you stand out for all the right reasons.

At its heart, the Quintrex 481 Fishabout is powered by a Yamaha F70HP 4-stroke engine, renowned for its reliability and performance. The forward control with 703 Control Box, alongside 2x Multifunctional Digital Gauges, Electric Start, and Power Trim Tilt, delivers seamless operation and control. The Alloy Prop and Fuel Filter underscore its efficiency and durability. The inclusion of a Motor Support Block emphasizes the attention to detail, safeguarding your investment by preventing excessive loads on the tilt assembly.

The fishing experience is further enhanced by the Garmin STRIKER Vivid 7SV Fishfinder, a tool that transforms the novice into an expert with its built-in GPS, high-contrast vivid color palettes, and comprehensive scanning sonars. This tech-savvy addition ensures that you're always on top of your game, whether you're navigating new waters or marking waypoints for return visits.

For those long days chasing the catch, comfort and convenience have not been overlooked. The Bimini and Envelope offer much-needed shade and shelter, while the Cargo/Luggage Netting fitted under the cockpit and Cockpit Lights Upgrade improve organization and visibility. The Marine Battery Isolation Switch, along with the BAITMATE Bait Board, round off a package that's as practical as it is thrilling.

In essence, the Quintrex 481 Fishabout is more than just a boat; it's a gateway to the great outdoors, promising adventure, relaxation, and, most importantly, the joy of fishing. With its powerful engine, cutting-edge fishfinder, and thoughtful inclusions, it's a boat that beckons you to embrace the water like never before.
