Description

The Quintrex 481 Fishabout, with its gleaming painted white finish and eye-catching stripes and decals, is a vessel designed to blend practicality with pleasure. At the heart of its offering is the Yamaha F75HP 4-stroke engine, ensuring a blend of power and efficiency. This engine, complete with forward control and electric start, promises a smooth and reliable ride. Additionally, the integration of a Catch and Release Bracket simplifies single-person boat hookups at ramps, enhancing convenience for all types of anglers.

Paired with the robust Quintrex Braked Trailer, featuring 13-inch alloy wheels and a comprehensive lighting system, this package ensures that transport and launch are as seamless as the navigation it promises. The spare wheel and carrier are thoughtful inclusions, underscoring the package's commitment to reliability and preparedness.

Fishing enthusiasts will be particularly drawn to the Garmin UHD2 75SV Chartplotter/Sounder Combo. With Australia and New Zealand mapping preloaded, and paired with a high-contrast display, this device guarantees a fruitful search for the catch of the day. The vessel's adaptability is further enhanced by the GME GX750B VHF Marine Radio, offering clear communication in all conditions.

Comfort and practicality are not overlooked. The Bimini and envelope, alongside front and side clears, provide shelter without compromising visibility, ensuring that changes in weather won't dampen the day's adventure. Under-cockpit cargo/luggage netting and upgraded cockpit lights add to the boat's functionality, making the 481 Fishabout not just a means to an end but a part of the experience itself.

This Quintrex 481 Fishabout is more than a boat; it's a commitment to quality, adventure, and the joy of fishing, promising to be a trusted companion on every waterborne adventure.
