Description

The Quintrex 481 Fishabout is a quintessential Australian fishing boat, designed with versatility and performance in mind. This model, adorned with two-tone paint and vibrant stripes/decals, not only looks the part but is built to deliver an exceptional on-water experience. It comes fitted on a Quintrex braked trailer, featuring 13-inch alloy wheels and a host of other features to ensure a smooth journey to your favorite fishing spot. The trailer's design, including adjustable keel rollers and a winch, enhances convenience and safety during transportation and launching.

Under the hood, the Yamaha F75HP 4-stroke engine promises robust performance and reliability. Its inclusion of forward control, electric start, and power trim tilt signifies a blend of power and ease of use, ensuring you can focus on the joy of fishing rather than the intricacies of operating the boat. The motor support block is a thoughtful addition, providing extra protection and prolonging the life of your engine.

Navigation and fish finding are taken to the next level with the Garmin UHD2 75SV Chartplotter/Sounder Combo, preloaded with detailed maps of Australia and New Zealand. This high-tech equipment, combined with the Fusion RA70N Sound System and GME GX750B VHF Marine Radio, ensures not only successful fishing trips but also enjoyable journeys with quality entertainment and reliable communication.

Comfort and functionality are further enhanced by the bimini and envelope with front side clears, offering protection from the elements without compromising visibility. The cockpit is upgraded with additional lighting, a windscreen grab rail, and hydraulic steering for improved control. Practical features like the transom door, ski hooks, and a premium steering wheel underscore the boat's design, which balances fishing needs with leisure desires.

This package, rounded off with a marine battery isolation switch for electrical reliability, represents a comprehensive offering for both avid anglers and recreational boaters. The Quintrex 481 Fishabout is not just a boat; it's a gateway to adventures on the water, promising reliability, comfort, and most importantly, fun.
