Description

Explore the waters with the Quintrex 500 Fishabout, a boat that combines comfort, style, and functionality into a versatile package. The two-tone paint and distinctive stripes/decals ensure you'll stand out on the water, while the Quintrex braked trailer, featuring 13-inch alloy wheels and a host of other features, provides safe and easy transportation to and from your adventures. The spare wheel and carrier add peace of mind, ensuring you're always prepared.

Powered by a Yamaha F90HP 4-stroke engine, known for its reliability and efficiency, you'll enjoy smooth navigation with forward control and digital gauges that keep you informed. The motor support block enhances your experience by securing the motor and reducing loads on the tilt assembly. For navigation and fish finding, the Garmin UHD2 95SV chartplotter/sounder combo with its bright display and preloaded maps is unmatched, ensuring you find the best spots and stay on course.

Entertainment is provided by the Fusion RA70N sound system, delivering quality sound that's as clear as the ocean. Stay connected with the GME GX750B VHF marine radio, ensuring safety and communication are always within reach. The marine battery with an isolation switch ensures your boat is powered up and ready to go, while the bimini and envelope with front side clears offer protection from the elements without compromising on vision.

Enhance your fishing and leisure experience with additional features like a stainless steel ski pole, transom cutting board, and more. The upgraded cockpit lights, windscreen grab rail, and upholstered side pocket provide convenience and comfort. Hydraulic steering and a transom door add to the ease of use, making the Quintrex 500 Fishabout an ideal choice for anyone looking to enjoy their time on the water with a boat that's as reliable as it is enjoyable.
