Description

The Quintrex 530 Renegade CC is an epitome of versatility and high performance, designed meticulously for the avid angler seeking unparalleled on-water experiences. Its hull, painted in pristine white, not only exudes elegance but also promises durability for those seeking adventure in both inland and coastal waters. This model sits atop a robust Quintrex braked trailer, featuring 13-inch alloy wheels and LED lights, ensuring safe and easy transportation to your favorite fishing spots. The trailer's advanced design, including a rolled frame alloy I-beam and adjustable keel rollers, complements the boat's exceptional build quality, making it a reliable companion on any journey.

Powering this vessel is a Yamaha F115HP 4-stroke engine, known for its smooth operation and fuel efficiency. The inclusion of hydraulic steering upgrade offers precise control and maneuverability, enhancing the boating experience. For anglers aiming to stay on the fish, the MinnKota 80-pound Riptide Terrova with i-Pilot Link Integrated GPS Trolling System is a game-changer. It allows for spot-on positioning with Spot-Lock and seamless navigation through waters, thanks to its AutoPilot feature. Additionally, the Garmin ECHOMAP UHD2 95SV chartplotter/sounder combo with a bright 9 display ensures you have the best underwater views, making fish targeting more efficient with its traditional CHIRP and ClearV scanning sonars.

The 530 Renegade CC is outfitted with top-of-the-line fishing amenities, including an extra seat spigot, ensuring versatility in fishing and comfort. The GME GX750B VHF Marine Radio keeps you connected and safe, while the marine battery isolation switch ensures power reliability. For comfort during long days on the water, the bimini and envelope provide necessary shade and protection, enhancing the overall fishing and boating experience. Whether you're trolling the estuaries or venturing offshore, the Quintrex 530 Renegade CC with its premium pack 4 inclusions stands as a testament to innovation, functionality, and unparalleled performance on the water.
