Description

The Quintrex 570 Renegade CC, painted in a sleek white with eye-catching decals and stripes, offers an unparalleled blend of style and functionality. This model, renowned for its versatility, caters to both the avid angler and the recreational boating enthusiast. Its center console design provides 360-degree access around the boat, making it perfect for a wide range of fishing and boating activities. The inclusion of a Yamaha F130HP 4-stroke engine ensures powerful and efficient performance, whether you're cruising through calm waters or navigating choppy seas. The motor support block adds to the durability and reliability of the setup, ensuring your engine is well-protected in all conditions.

The boat is complemented by a Quintrex braked tandem trailer with a 2000ATM rating, ensuring easy, safe, and secure transportation to and from your water adventures. Additional practical features include a spare wheel and carrier, catch and release bracket for convenient boat launching and retrieval, and a GME GX750B VHF Marine Radio, essential for communication and safety on the water. The marine battery with an isolation switch further enhances safety, ensuring electrical systems are operable when needed while protecting them when not in use.

Comfort and functionality are significantly enhanced with the Bimini and envelope, providing shade and shelter for those long days on the water, while the upgraded hydraulic steering offers smooth handling and control. An extra seat spigot increases the boat's versatility, allowing for various seating configurations to suit different situations, whether fishing, relaxing, or enjoying water sports. The Quintrex 570 Renegade CC is a testament to quality boating design, offering a blend of performance, comfort, and versatility that is hard to match.
