FOUR-STROKE

F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering options, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearl/white, the F150 model line-up brings a new level of next-generation boating.

ENGINEERING ADVANCEMENTS:

- 2700cc (Digital Control) or 2670cc (Mechanical Control) engine options.
- Four-cylinder in-line design delivers excellent fuel efficiency.
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.
- Built-in fuel limiter.
- 2 colour options with raised graphics.*

Description

The Quintrex 610 Territory Legend stands as a paragon of versatility and robustness, perfect for both serious anglers and adventure enthusiasts. This model is expertly designed to navigate a wide range of water conditions, from the tranquil enclosed waters to the more challenging open seas. Its center console design is a key feature, offering an unobstructed 360-degree fishing experience and ample space for movement, making it ideal for those who prioritize both comfort and functionality in their aquatic adventures.

Built with a length of 6.15m and a beam of 2.45m, the 610 Territory Legend is powered by a maximum of 175hp, ensuring a powerful and reliable performance. It accommodates up to 7 people, making it suitable for group outings. The boat's construction is top-notch, boasting a 5mm bottom and transom material, complemented by 3mm top sides, which contribute to its durability and stability in various water conditions. Additionally, its design includes a Blade Hull, flared bow, and extruded side decks, which enhance its sea-keeping abilities and overall safety.

The Quintrex 610 Territory Legend is not just about performance; it's also equipped with a range of features that enhance its practicality and comfort. Key features include a live bait tank, marine radio, maxi bracket, rear ladder, and four rod holders, making it a dream for fishing enthusiasts. For added convenience, it comes with a range of options such as a bimini envelope, burley bucket, cutting board, and a twin battery box switch, among others. The hydraulic steering system provides smooth handling, ensuring a comfortable and enjoyable boating experience. The 610 Territory Legend is a testament to Quintrex's commitment to quality, functionality, and style.
