

Quintrex 610 Territroy Legend + Yamaha F150HP 4-Stroke - Pack 3 for sale online prices

\$105,990

FOUR-STROKE

F175

Yamaha's popular and proven range of F175 Digital and Mechanical Control outboards now feature a newly designed tank and integrated steering, taking these engines to the next level when it comes to power, reliability and control.

The Integrated Hydraulic Steering system is housed in a neat, sealed cylinder unit, which is built into the transom bracket of the engine, rather than being a three-part bolt-on component. This results in a simple and clean rigging set-up, and an uncluttered bilge and transom area, while exposing less components to the elements for improved long-term durability and reliability.

**ADVANCED PERFORMANCE**

- 2700cc four-cylinder engine
- In-line design delivers excellent fuel efficiency
- All-new Integrated Hydraulic Steering
- All-new cowling design
- Built-in kill limiter
- Choose Digital Electronic Control (DIFC) or Mechanical Control (MC)
