

Quintrex F390 Explorer + Yamaha F25hp 4-Stroke - Pack 2 for sale online prices

\$12,890

FOUR-STROKE **F25** Next-Gen Efficiency

This new generation outboard is not only an improvement on the four-stroke model it replaces, but also exceeds the all-round capabilities of Yamaha's legendary 25i two-stroke outboard. For the first time in Yamaha's four-stroke history, the new F25 comes with battery-less fuel injection – delivering easier starts, better fuel economy and an improved overall operating performance.

ENGINE FEATURES

- 433cc two-cylinder engine.
- Yamaha's first battery-less electronic fuel injection.
- Variable timing for low-speed torque boosting.
- Forward control on tiller options.
- Available in electric or pull-start and manual or power trim and tilt.
- Exclusive YDC alloy for maximum corrosion protection.
- Freshwater flushing device for easy and quiet maintenance.
- Compatible with all of Yamaha's premium colour and digital gauges.

Description

Discover the Quintrex F390 Explorer, a marvel of modern boating that combines space, stability, and style in one compact package. The unique feature of this model is its innovative Picklefork Front design, which not only enhances the boat's aesthetic appeal but significantly expands the internal space. This design choice allows for a larger platform at the bow, providing ample room for fishing, leisure activities, or simply enjoying the tranquility of the waters.

Powered for Performance and Ease of Use, the F390 Explorer comes equipped with the Yamaha F25HP 4-Stroke Long Shaft engine. This engine is renowned for its reliability and efficiency, ensuring smooth sailing on every adventure. The multifunctional tiller handle offers unprecedented control and maneuverability, allowing you to navigate through waters with ease and precision. Whether you're an experienced boater or new to the water, you'll appreciate the seamless operation and responsive handling of this setup.

Your Complete Boating Package Awaits, encompassing not only the exceptional hull but also the Quintrex Light Alloy Short 749ATM S trailer for easy transport and storage. The package includes a Yamaha 24L fuel tank, offering extended time on the water without the need for frequent refueling. Furthermore, the boat and trailer come fully registered, removing any administrative hassles. Safety is a top priority, and this package doesn't disappoint, including full inshore safety gear to ensure peace of mind for you and your passengers. The Quintrex F390 Explorer is more than just a boat; it's a gateway to unforgettable experiences on the water.
